

A Father's Day Invitation

We would like to invite all our Dads to a special Evening at Preschool to celebrate Father's Day. This a special time for the preschooler and his or her Dad to share some time together in the Preschool setting without the rest of the family. Of course, if Dads are not able to come due to other commitments, Grandfathers, Uncles or a special friend are welcome instead!

We thought that because the timing for our evening is right on dinner time we would have a BBQ for everyone to enjoy. Plenty of food for everyone!!!! We will have drinks available for purchase on the night -softdrink - \$2 each & poppers - \$1 each. While we are eating, the children will have a chance to show you how they build with the blocks, draw a picture, play with the dough, etc. After we do a quick pack up, we will have a Music and Singing time for you as a **Mini-concert** so you can see what we can do and then we will present you with a **gift that the children have made.**

Date: Wednesday 1st September
Time: 5.30 – 7.00 p.m.

To assist with catering, please indicate on the below order form how many sausage or steak sandwiches you think you will eat & to cover costs we are asking for \$8 per father/preschooler combo.

RSVP: order forms and money to be paid to by Monday 30/08/2010
